PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1a.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

~~TOP SECRET RUFF~~

SUMMARY

A probable military motor vehicle park is located 1 kilometer (km) south of Gusev (Figure 1). Gusev Army Barracks North is 2 km north.

The vehicle park covers 20 acres and contains 4 vehicle storage buildings, 2 administration buildings, 2 vehicle storage/maintenance

buildings, and 2 support buildings (Figures 2 and 3).

This installation is covered on KEYHOLE photography of June, July, and October 1964 and appears active. Scale precludes confirmation of military affiliation.

DESCRIPTION OF INSTALLATION

Railroad Service

The main rail line from Chernyahovsk passes directly north of the vehicle park. A railroad classification yard is east of the park.

Road Service

The installation is served by city streets.

Administration and Troop Housing Area

Area D contains 2 administration buildings.

Equipment Storage/Maintenance Areas

Area J1 contains 4 vehicle storage buildings (each approximately 175 by 45 feet), a support building, and a vehicle park (approximately 180 by 90 feet).

Area J2 contains 2 adjacent vehicle storage/maintenance buildings (200 by 60 feet and 135 by 45 feet), a vehicle park (120 by 90 feet), and 2 support buildings.
